

## DUTCH-CHINESE LIFE SCIENCE FORUM 2005

OCTOBER 7 & 8, 2005, UNIVERSITY MEDICAL CENTER GRONINGEN

### FORUM PROGRAM

#### October 7, 2005

- 17:30-18:30 *Registration* UMCG  
Restaurant
- 18:30-20:00 *Reception and dinner buffet*
- 20:00-20:03 *Opening* Blauwe Zaal  
Dr. Y.Liao, Chairman of the organizing committee
- 20:03-20:25 *Welcome Speeches* *Chair person: Dr. Y. Liao*  
- Prof S. Poppema, Dean UMCG;  
- Prof. F. Zwarts, Rector Magnificus, University of Groningen;  
- Prof G. Tong, First Secretary (Education), Embassy of P.R. China in  
The Netherlands.
- 20:25-20:55 *Key-note Lectures* *Chair person: Dr. C. M. Liu*  
Research and Development of Biotechnology in China.  
Prof H.G. Wang, Director General, China National Center for  
Biotechnology Development.
- 20:55-21:25 Developments in Genomics and Proteomics Research.  
Prof. L. Dijkhuizen, Scientific Director Groningen Genomics Center.

#### October 8, 2005

##### Morning program

- 9:30-10:00 *Registration and Coffee* UMCG  
Restaurant  
Blauwe Zaal
- 10:00-10:05 Opening and Welcome speech  
Prof. L. de Leij, Pro-Dean UMCG
- Session 1 Biomedical Sciences** *Chair person: Prof. L. de Leij*
- 10:05-10:35 Manipulation of apoptosis: prospects for therapy?  
Prof. H. Moshage, Scientific Director, Groningen University Institute  
for Drug Exploration
- 10:35-11:00 Human biological clock and Alzheimer's disease  
Dr. J. Dai, Netherlands Institute for Brain Research.

##### Continued session

*Chair person: Dr K.W. Li*

- 11:00-11:25 Experiences from a fruitful cooperation with Tianjin First Central  
Hospital.  
Prof. H.K. Schutte, Dept of Biomedical Engineering UMCG.
- 11:25-11:45 - AF6 negatively regulates Rap1-induced cell adhesion.  
Z. Zhang. University Medical Center, Utrecht
- 11:55-12:20 - **Coffee Break** Restaurant

12:20-13:25	<b>Poster session &amp; Lunch &amp; Group Photo</b>		Restaurant
	<b>Afternoon Program</b>		
<b>Session 2</b>	<b>Drug Discovery and Medicine Science</b>	<i>Chair person Prof. H. Moshage</i>	Blauwe Zaal
13:25-13:55	Perspective in drug research and discovery. Prof. L. de Leij, Pro-Dean UMCG.		
13:55-14:20	Modern Traditional Chinese Medicine. Dr. Y.P. Zhu, Director Hwa-To Center.		
14:20-14:35	A new type of prodrug for the treatment of Parkinson's disease. D. Liu, Pharmacy Center, University of Groningen.		
	<b>-pre-programmed session 3b</b>	<i>Chair person: Dr J. Huang</i>	
14:35-14:50	Medicinal mushrooms from China and their health effects. Dr. Y Zhu, Wageningen University.		
14:50-15:05	Challenge and Strategy in organic agriculture in next decade. D. Huang, Wageningen University		
15:05-15:30	<i>Coffee Break</i>		Restaurant
<b>Session 3</b>	<b>Biotechnology and Plant Sciences</b>	<i>Chair person: Prof. S. Poppema</i>	Blauwe Zaal
15:30-16:00	Biochip technology. Prof. J. Cheng, Tsinghua University, CEO CapitalBio.		
16:00-16:30	Medical application of Nanotechnology. Prof. G. Robillard, member of KNAW, CEO Biomade.		
16:30-17:00	Perspective in Molecular Biology of Plants. Prof. J. Hille, Dept of Molecular Biology of Plants, Univ of Groningen.		
17:00-17:05	Closing and Award presentation.	<i>Prof. S. Poppema</i>	
17:05-17:35	Farewell reception (drinks)		Restaurant
